

In the Kingdom of Sunhill the garden is dry, the pond is low, and the Rainbird has forgotten the song that brings the rain.

Princess Baylin thinks singing louder will fix it. With slow and steady Tilly the tortoise beside her, she learns that listening well and working together is the real answer.

A calm bedtime story about listening, teamwork and saying thank you. For ages 3 to 7.

Created from Kevin's stories, brought to life with AI.

Princess Baylin and the Lost Rain Song

A Princess Baylin Diaries bedtime story
